

Clements' was established in 1980 under the name Portsmouth IGA. A family run business, owned and operated by Donald and Barbara Clements, the name was changed on the company's 10th anniversary to the family name, thus Clements' Marketplace. Through years of service, Clements' has become an integral part of the Portsmouth community, supplying wholesome, fresh and traditional foods.

Throughout the 80's and 90's we have expanded our departments and services to enhance your shopping experience. In the early 2000's we began holding our annual events at the store and became involved with many community activities.

In 2006, Tracy Anthony took over the business from her parents and continued their commitment to quality and service. In that same year, the online shopping with delivery and pick up service, Groceries 2 Go, was added.

In 2010 we celebrated our 30th year in business. Over the next few years we introduced a pizza counter, fresh-made donuts, juice machines, salad bar and hot food bar. Last year brought the introduction of our I-Chef program, a delicious selection of grab-&-go meal kits.

In 2013 Tracy Anthony bought Lee's Market in Westport, MA., expanding the same values and dedication she has for Portsmouth.

All of us at Clements' Marketplace look forward to our newest location here in Manomet, MA. We are committed to offering the freshest products and servicing the community as we have done since 1980.
