

Clements' Marketplace is not only your local grocery store, but we are also a major supporter of Rhode Island-based food companies. We believe in promoting and selling products from our neighboring communities and supporting local artisans; many of which you won't find in larger stores. One of our greatest connections to local food producers is Hope & Main in nearby Warren, RI and Farm Fresh RI in Providence. They are an invaluable resource for local food startups building their foundation.

WE PROUDLY STOCK THE FOLLOWING @ OUR PORTSMOUTH LOCATION:
